

J.J.

We are fully aware of the need to assist the speedy rehabilitation of the wrongdoer..

...we are not narrow-minded about a man's past. Our attitude is, that when his debt to society has been paid...

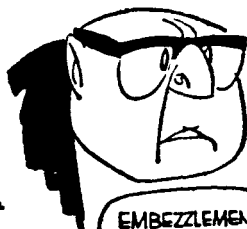

We must help him to regain the straight and narrow..

...but, you see, what were after is an assistant in personal accounts, and as you realise this-er-man... I mean, what was he in for?

Roy Dewart.

...to an amateur!
